

GTH Series Smart Handheld Inkjet Printer

A compact, lightweight Thermal Inkjet (TIJ) printer handheld designed for on-the-go marking and coding. Perfect for warehouses, logistics, small-scale production, and field work where flexibility and mobility are key.

KEY FEATURES

1 Print Height Options

GTH-100: 2-12.7 mm, GTH-200: 25.4 mm, GTH-400: up to 50.8 mm with dual-cartridge.

2 Clear and Readable Codes

Up to 600 DPI for Text, Numbers, Images, Logo, 2D codes (QR Code, QR Code, GS1 DM), Barcodes, Dates, Counter, Database.

3 Thermal Inkjet Ink Solutions

Water-Based Inks – Ideal for porous and semi-porous materials such as paper, corrugated boxes, wood, fiberboard, and textiles.

Solvent-Based Inks – Designed for semi-porous and non-porous surfaces like plastic, glass, metal plates, aluminum foil, and cables.

4 Multicolor Ink Cartridges

Black, red, white, yellow, green, and UV-readable options for contrast and inspection

5 Portable Printer For Indoor and Outdoor

The GTH Series printer is designed for mobility and flexibility. Its lightweight, compact build suits coding and marking jobs in both indoor facilities and outdoor sites, while the intuitive touchscreen lets operators set up and print instantly.
