

Desired Outcome Achieved - Enhanced Coding Quality, Long-Term Efficiency, and Cost Savings

## GTH Smart Handheld Inkjet Printer

Gressler GTH Smart Handheld Inkjet Printer offers intelligent, precise, and lightweight printing for diverse industries, ensuring efficiency with a one-key upgrade feature.

### KEY FEATURES

- Intelligent Printing for Variable Content**  
GTH not only supports variable text, logo, and all picture formats but also takes durability to the next level with its sealed design and built-in interface, shielding against external pollution for a prolonged and pristine service life.
- Precise and Sensitive**  
Experience precise, real-time code printing with GTH's built-in synchronizer, minimizing wear and tear for enduring performance.
- Smooth Operation**  
Powered by Multi-core high-frequency tech for smooth, efficient operation with low power consumption, ensuring uncompromised performance.
- 460g of Lightweight Brilliance**  
GTH Smart Handheld Inkjet Printer, weighing only 460 grams, combines lightweight design with simple elegance for easy and stylish printing on the go.
- All-Mat Advantage**  
Powered by dual 18650 lit-batteries, this printer guarantees stability and safety. Its one-key upgrade function ensures adaptability, making it ideal for diverse printing needs.

### INDUSTRY & APPLICATION

- Food & Beverage
- Pharmacy
- FMCG
- Cosmetics & Personal Care
- Building Materials
- Electronics & Electrical Component
